**Re: Johnson Development Associates, Incorporated's Letter in Support of Southern Alliance for Clean Energy and South Carolina Coastal Conservation League's Motion for Reconsideration of Commission Scheduling Order Date.**

Dear Ms. Boyd:

On December 9, 2019, Southern Alliance for Clean Energy ("SACE") and South Carolina Coastal Conservation League ("CCL") filed a Motion for Reconsideration of Commission Scheduling Order Date ("Motion") so that the Orders in Docket Nos. 2019-185-E and 2019-186-E would be held until or after December 27, 2019. Johnson Development Associates, Incorporated ("JDA") fully supports the Motion as it will provide a reasonable timeline for parties to evaluate and respond to the Orders issued. The timeline will also allow for increased transparency as the dates contained in the current schedule could lead to the Orders being overlooked by the public if issued two days before Christmas and petitions due the day following New Years.

For convenience and due to limited timing, JDA suggests that the Hearing Officer appointed in these proceedings be given the authority to rule upon the Motion and respectfully asks that the Motion be granted.

Very truly yours,

s/ James H. Goldin
